

Prop Sends (Baby Level)

- **Begin with a couple of reps of rewarding interaction with the prop, to refresh the value and so you can be standing when you play this game**
- **The prop should be very close to you and the pup**
- **With the pup in front of you, engage with the pup with a couple of silly 'ready ready' dance moves**
- **Maintain connection with the pup**
- **Send to the prop using the dog-side arm and leg (no verbals)**
- **Mark when the pup touches the prop**
- **Reward with a toy or treat from your hand**
- **Be sure to work this from both your left and your right side!**

Prop Sends (Advanced Level)

- The prop should be very close to you and the pup
- You will be rotated sideways, so your hip is next to the prop
- With the pup in front of you, engage the pup with a couple of silly 'ready ready' dance moves
- Maintain connection with the pup
- Send **SIDEWAYS** to the prop using the dog-side arm and leg (no verbals)
- Mark when the pup touches the prop
- Reward with a toy or treat from your hand
- Be sure to work this from both your left and your right side!

Prop Sends (Advanced Level 2)

- The prop should be very close to you and the pup
- You will be rotated backwards, so your butt is next to the prop
- With the pup in front of you, engage the pup with a couple of silly 'ready ready' dance moves
- Maintain connection with the pup
- Send **BACKWARDS** to the prop using the dog-side arm and leg (no verbals)
- Mark when the pup touches the prop
- Reward with a toy or treat from your hand
- Be sure to work this from both your left and your right side!
